

**The Farmingdale FSDO FAA Safety Team presents:**

# **Bayport Aerodrome Society Fly-In!**

Take a nostalgic trip to a grass strip aerodrome with antique aircraft! Enjoy the many static displays and a pancake breakfast. Attend the FAA Safety Team FREE seminar with speakers Dan Brooks (FAA Safety Team Lead Representative), Paul Pilipshen (FAA Safety Team Lead Representative and CFI), Ben Struck (FAA Safety Team Program Manager) and refresh your understanding of the WINGS Pilot Proficiency Program and the FAASafety.gov website as well as Bayport Aerodrome operations and loss of control awareness.

Not participating in WINGS? Only you can choose to be a SAFE pilot. Statistics indicate that pilots who participate in a recurrent training program are far less likely to be involved in an accident or incident! We'll see you there!

**Directions:** This event will be held in the Bayport Aerodrome Society (BAS) North Side Hangar.

The entrance to BAS is off Nichols Road. From Sunrise Highway, go South on Nichols Road (RTE97) and make a right turn at the first light onto Church Street. Make next left onto Vitamin Drive and follow the signs to the BAS parking lot. North from Montauk Highway make a left at the second light and proceed as above.
